Inquiry Meeting. They are still considering a "Driving in USA" guide for their annual Travel Trends guide produced in December 2013. Hertz would be the sponsor but they may decide to only do California. MRC is interested in being part of the guide if they will include the region.

Follow up Agreed that Diamond-Big needs to decide what is best for their readers and Hertz. Awaiting their decision. If they only do California, they will bring us a different proposal for featuring the MRC region in fly/drive.
